Insolvency information for directors, employees, creditors and shareholders

This information sheet (INFO 39) lists ASIC's information sheets for directors, employees, creditors and shareholders affected by a company's insolvency.

We have produced these with endorsement from the Australian Restructuring Insolvency & Turnaround Association (ARITA).

The information sheets give a basic understanding of the three most common company insolvency procedures – liquidation, voluntary administration and receivership – as well as the independence requirements for external administrators and approving external administrator remuneration. There is also a glossary of commonly used insolvency terms.
