Circular to Suppliers

Linda Smith and I were appointed Administrators of Maali on 15 April 2026.

Immediate objectives

As Administrators, we have assumed control of Maali's affairs and have entered into possession of its assets. It is our intention to continue trading Maali's business while we undertake an urgent assessment to determine the best course of action to preserve its business.

Continuing to trade

The Administrators would appreciate you making goods and services available to Maali on your usual trading terms when requested by me or my authorised representatives. All supplies made against signed purchase orders dated 15 April 2026 and beyond will be paid on normal terms.

Procedures for ongoing supply

Please adopt the following procedure for Maali's account:

- close your existing account as at the date of our appointment, being 15 April 2026; and
- open a new account in the name of "Maali Group Pty Ltd (Administrators Appointed)".

All purchase orders must be signed by us, as Administrators, or one of the authorised personnel whose specimen signatures appear on the schedule enclosed with this circular. Please do not deliver goods or services without a signed purchase order as this may affect payment for the goods or services by the Administrators.

Payments made by the Administrators must be applied against debts incurred by the Administrators and cannot be applied against any pre-appointment debt owed to you by Maali.

Additionally, if you are currently a customer of Maali as well as a creditor, any goods or services supplied to you by Maali following our appointment must be paid for in full in accordance with Maali's normal trading terms. Any goods or services provided by Maali are provided in accordance with the above condition.

Please note:

- If there are any outstanding or unfulfilled orders placed by Maali prior to our appointment, including those under which there are goods in transit, please contact Stephen Messina on +61 8 6363 7609 as a matter of urgency to ascertain whether the goods or services are still required by the Administrators. These orders should not be completed unless confirmed in writing in accordance with the above authorisation procedure.
- The Administrators do not personally adopt any contract that exists, or may have existed, between you and Maali at the date of appointment of the Administrators. Payment for any goods or services by the Administrators is not an adoption of a contract or liability.
- Any further credit properly incurred for goods and services supplied on the new account will be a liability of the Administrators.
- Under taxation legislation, we are obliged to withhold 47% from payments to suppliers who do not quote a current Australian Business Number (ABN). Please ensure that a current ABN is quoted for each supply made by you.
- Input tax credits for payments made to registered suppliers cannot be claimed until a valid tax invoice has been received. Accordingly, suppliers must provide a valid tax invoice for GST purposes before payment will be made.

Privacy and Personal Information

We may collect personal information from you, Maali or otherwise, in connection with your trading arrangements with Maali. McGrathNicol takes all reasonable steps to protect the information that we hold (including personal information) from misuse, loss and from unauthorised access, modification or disclosure. Our Privacy Policy can be found on the McGrathNicol website.

Pre-appointment debts

Amounts owed by Maali prior to 15 April 2026 remain a liability of Maali and are not payable by the Administrators. These debts represent an unsecured claim against Maali and payment is dependent upon the outcome of the administration.

At this stage, it is too early to say if funds will become available to unsecured creditors.

Insolvency information for directors, employees, creditors and shareholders

This information sheet (INFO 39) lists ASIC's information sheets for directors, employees, creditors and shareholders affected by a company's insolvency.

We have produced these with endorsement from the Australian Restructuring Insolvency & Turnaround Association (ARITA).

The information sheets give a basic understanding of the three most common company insolvency procedures – liquidation, voluntary administration and receivership – as well as the independence requirements for external administrators and approving external administrator remuneration. There is also a glossary of commonly used insolvency terms.
