Qualifications & Memberships —

- Registered Liquidator
- Member, ARITA
- Member, CA ANZ
- Masters of Professional Accounting, RMIT
- Bachelor of Commerce, Monash University

Matthew is a highly regarded turnaround, restructuring and insolvency specialist with more than 14 years experience. He works with lenders, lawyers, private equity, directors and senior executives to assist businesses in navigating periods of challenge and distress.

Matthew is a Registered Liquidator and has led numerous independent business reviews, strategic options assessments, safe harbour reviews, business or profit improvement assignments, financial and operational due diligence roles and formal restructuring and insolvency engagements. He works closely with clients to solve business problems and implement practical, robust and sustainable solutions.

Matthew specialises in advising and supporting businesses in both the mid-market and institutional markets and has extensive industry experience across the property, construction, manufacturing, financial services, transport, industrial and retail sectors.

Engagement Experience —

- Receiver of Caydon Property Group, an extensive property developer with complete and under development assets across Australia and the USA.
- Administrator of Triple MMM Holdings, a 15 storey, 189 room hotel development under construction in the Melbourne CBD.
- Receivership of Steller Property Group, an extensive Melbourne based property developer.
- Administrator of Big Village Australia, a multi-faceted research, digital and media consulting business.
- Advisor to a global private equity firm, leading multiple profit optimisation diagnostic and implementation projects across their extensive investment portfolio.
- Voluntary administration of RCR Tomlinson Limited, a \$2b global construction and engineering contractor.
- Voluntary administration of Toys R Us, one of Australia's largest toy retailers.
- Strategic advisor to GM Holden and Ford Australia regarding the winding down and transformation of their Australian operations.
- Receivership and restructuring of the listed automotive business Autodom Limited, involving the consolidation of four facilities into one over a 12-month period.
- Receivership of CMI Industrial, a large automotive component manufacturer.
