Anmol is a highly skilled restructuring and transformation specialist with extensive experience in complex insolvency, business turnaround, and regulatory restructuring engagements across Australia and New Zealand.

Anmol's expertise includes special situations, business transformations, financial due diligence, global banking operations, and credit risk management. She delivers strategic and commercially sound solutions in complex environments across restructuring, turnaround, and regulatory transformation.

Anmol was awarded a full scholarship by UN Women Australia to complete her MBA at the University of Sydney Business School, in recognition of her commitment to advancing women in leadership. She is passionate about promoting corporate and social diversity, equity, and inclusion.

Engagement Experience —

- Led the sale-of-business process for the Rosella Foods Receivership, managing 100+ parties and exceeding the client's recovery expectations.
- Contributed to the successful sale of 20+ outlets within the Keystone Group Receivership, which included venues such as Cargo Bar, Bungalow 8, and Jamie's Italian. Acted on behalf of KKR and Olympus Partners.
- Managed employee restructuring for the Colorado Group Receivership, a retail operation across Australia and NZ with 3,800 employees and 440 stores, including the implementation of redeployment strategies.
- Contributed to the sale of Rollpress Proplate Group, a distressed pipe manufacturer, within a two-week turnaround despite operational halts.
- Managed the trading and workforce restructuring for 130+ Payless Shoes stores nationally, successfully closing unprofitable locations as part of a strategic wind-down.
- Led the sale of 90 bookstores in NZ and managed the wind-down of Australian operations for Angus & Robertson Bookworld, reporting to PEP.
- Oversaw the Voluntary Administration of Vocation Limited, an ASX-listed vocational education provider.
- Managed multiple commercial property receiverships, often exceeding client recovery expectations.
- Delivered strategic reviews and provided Safe Harbour advisory services for several companies facing financial challenges.
- Led a global regulatory transformation project at Macquarie Bank, managing 40+ workstreams to ensure timely compliance with APRA's regulatory requirements.
